

# M24 - MPR24

## Le tapis industriel monoposte économique et léger

Bords biseautés pour la sécurité et l'accès aux engins roulants. Facile à nettoyer. Antidérapant. Drainant grâce à ses picots en face inférieure. Applications : postes fixes, cuisines, bars...

Noir : 100% caoutchouc naturel. Coloris : noir (applications standards, M24), rouge nitrile (environnements en contact avec les graisses - MPR24).

### Economical, lightweight single station industrial mat

Bevelled edges for safety and access for wheeled vehicles. Easy to clean. Non-slip. Good drainage thanks to the fingers underneath. Applications: work stations, kitchens, bars, etc.

Black: 100% natural rubber. Colours: black (standard applications - M24), red nitril (environments in contact with grease - MPR24).
