

MB46

NON-SLIP AND ANTI-FATIGUE
INTERLOCKING TILES FOR
MILKING PARLORS PIT

Draining lower side

Connexions

COMFORT

100 % rubber tile, non-slip on wet or dry floor. Great anti-fatigue features thanks to revolutionary under side. Insulates from the cold.

INSTALLATION

Easy to lay thanks to its light weight. Interlocking tiles. No gluing.

HYGIENE

Water jet cleaning. Resists against most cleaning products. Draining lower side.

ECONOMICAL

Very good value for money.

**100%
NATURAL
RUBBER**

Quick & easy to install
